

**U.I. LAPP GmbH (LAPP KABEL)
UNITRONIC® BUS CCL UL/CSA (CM, PLTC)**

CC-Link® Network for control and information data

Features

- LAPP KABEL is one of the foremost suppliers of cables and cable accessories worldwide. This is a big advantage for selling this UNITRONIC® BUS CCL UL/CSA to oversea countries because the End-users feel high reliability. In case you have any trouble, LAPP group global network support worldwide service. UNITRONIC® BUS CCL UL/CSA is UL/CSA approved (CM approval or PLTC)

Specifications

No. of cores and AWG size	3×1×AWG20
Outside diameter in mm	7.7
Copper weigh kg/km approx	38.8
Weight kg/km approx	76.6
Minimum bending radius for	15× cable diameter
Temperature range	-40°C ~ +70°C
Conductor resistance	11Ω/1,000ft. (305m@20°C)
Characteristic Impedance	110Ω/1MHz
Peak working voltage	300 V rms
Test voltage	2000 V
Approval	UL/CSA CM Approval 75°C, PLTC Sun Res
